FINAL THOUGHTS

- × If you could pick one area that will definitely be on track by the time you are 21, which would it be?
- × Which do you feel furthest away from achieving by age 21?
- × Why?
- × What could you do to accelerate your progress for this one?
- × Try creating a VISION board (shown on the next slides)

VISION BOARD

You could then set this as your phone or laptop screensaver. Everytime you go to use them, you will be reminded of your goals!

"If you can dream it, you can do it."
