

**PRACTICE:**  
**4. THE LEITNER BOX**

2

**COMMITTING THINGS TO  
MEMORY AND RECALLING  
INFORMATION IS  
IMPORTANT FOR ALL  
EXAMS...**

2

**...FLASHCARDS ARE AN  
EFFECTIVE METHOD OF  
SUMMARISING AND  
CONDENSING KEY FACTS  
AND INFORMATION.**

2

**...MOST STUDENTS  
SIMPLY READ THROUGH  
THEIR STACK OF CARDS  
OVER AND OVER AGAIN...**

2

**HOW DO YOU USE  
YOUR FLASHCARDS?**

2

**DO YOU EVER MANAGE TO  
REMEMBER THEM ALL?**

2

**...MOST LIKELY NOT!  
HOWEVER, THERE IS A  
MORE EFFECTIVE METHOD  
OF USING THEM:**

2

**"THE LEITNER BOX"**

2

Forgetting Curve

**THIS IMAGE SHOWS A  
PHENOMENON CALLED  
THE FORGETTING  
CURVE.**

5

Forgetting Curve

**THE DOWNWARD  
CURVES SHOWS HOW  
INFORMATION IS  
FORGOTTEN..**

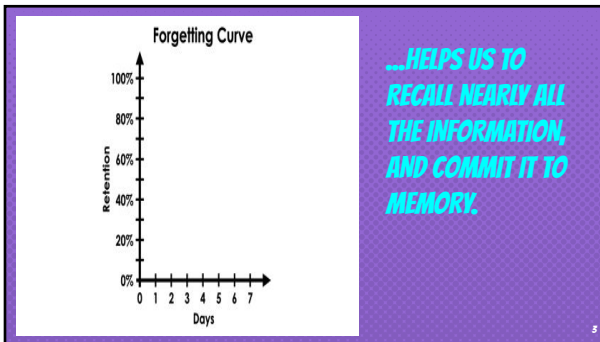

5

Forgetting Curve

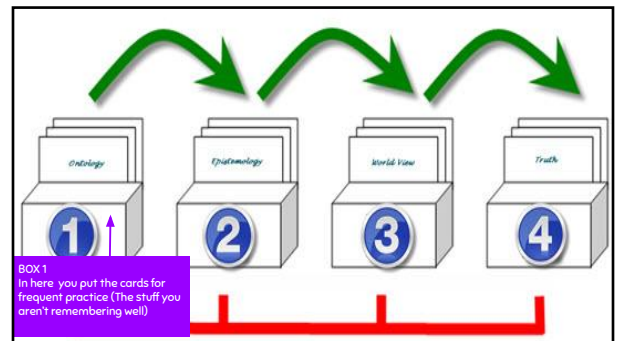

**AFTER 7 DAYS 60%  
OF INFORMATION YOU  
HAVE TRIED TO LEARN  
WILL HAVE BEEN  
FORGOTTEN.**

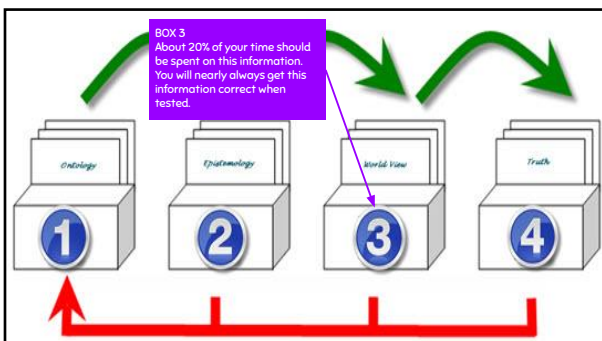

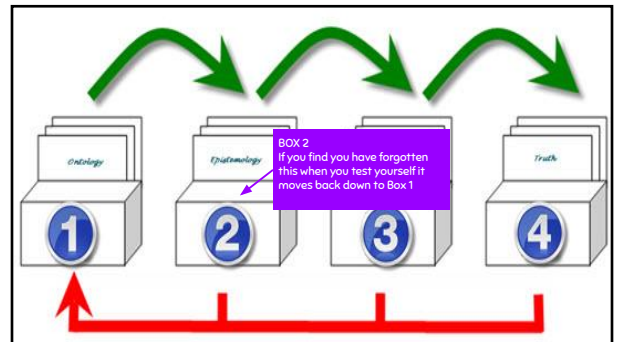

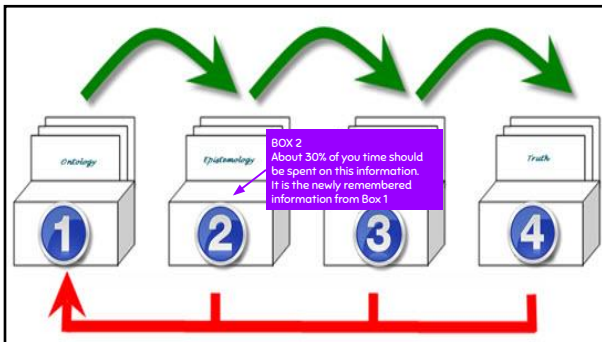

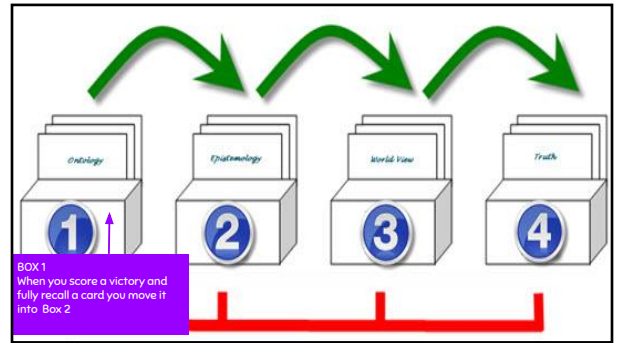

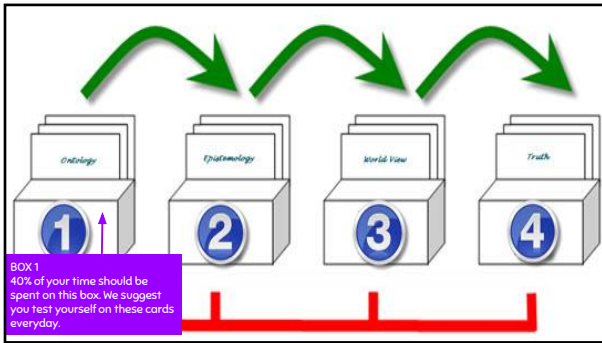

5

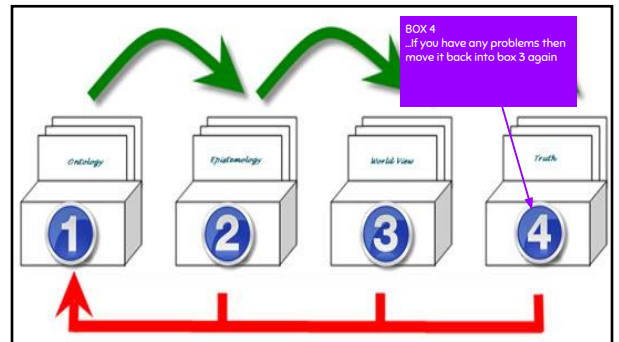

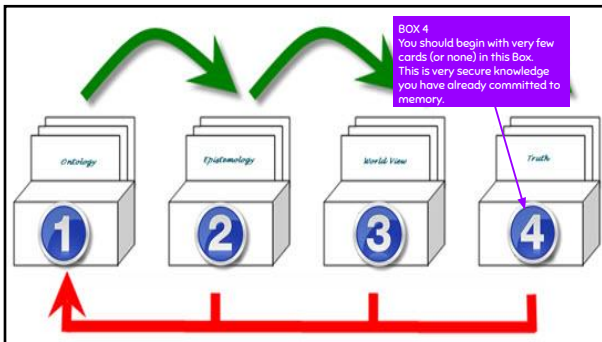

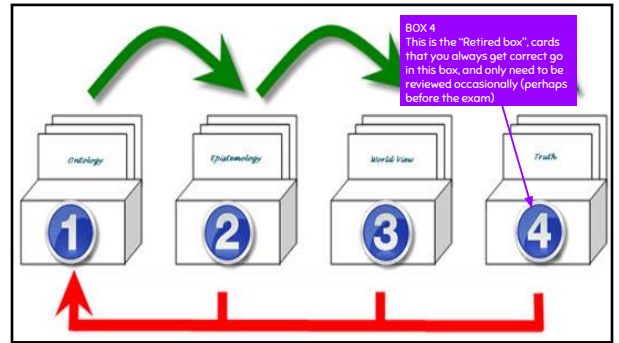

**BIG IDEA**

- × The German Scientist, Sebastian Leitner, developed a highly effective system of practice and recall.
- × His method was called "spaced repetition."
- × Leitner suggests that when we have a large amount of information to learn on flashcards, we tend to gravitate to those we already know the answer to...
- × ...subconsciously avoiding those we find more difficult.
- × In the Leitner System cards are "promoted" to higher levels if we can recall the information and "demoted" if we can't.
- × The system forces you to spend more time on the lower level cards, therefore focusing your learning on the things you most need to remember.

## Session 1 Leitner - flashcard method animation

Hint: Try adding more boxes, more flashcards or changing the time intervals

BY PRACTICING RECALL IN  
THIS WAY, YOU WON'T  
NEGLECT ANY  
INFORMATION...

**...OR GET CAUGHT IN THE  
"FAMILIARITY TRAP" -**

7

**...THE FEELING YOU GET  
WHEN YOU ASSUME YOU  
KNOW SOMETHING SO WELL  
YOU NEVER NEED TO TEST  
YOURSELF ON IT!**

7

**ALSO YOU KEEP YOUR  
FOCUS WHERE IT NEEDS TO  
BE - ON THE TOUGH STUFF  
YOU KEEP FORGETTING.**

7

**THE FOLLOWING VIDEO, BY  
THOMAS FRANK  
(COLLEGEINFOGEEK.COM)  
EXPLAINS THE SYSTEM AND  
THE SCIENCE BEHIND THE  
LEITNER METHOD...**

7

**FINAL  
THOUGHTS...**

9

**THE ONE QUALITY WE  
HAVE SEEN THAT  
DIFFERENTIATES TOP  
PERFORMING STUDENTS  
FROM OTHERS IS...**

9

**...HAVING THE COURAGE  
AND DETERMINATION TO  
SPEND TIME FOCUSING  
ON WEAKNESSES.**

9

**THIS HELPS YOU  
ISOLATE WHERE YOUR  
ATTENTION NEEDS TO  
BE.**

9

**IT IS UNCOMFORTABLE,  
BUT WILL MAKE A HUGE  
DIFFERENCE TO YOUR  
LEVELS OF PERFORMANCE.**

9

### **OVER TO YOU...**

- × Create a list of topics that should start in each box.
- × From this list create some flashcards.
- × Each flashcard should have a concept, image or word on the front...
- × ...with a detailed explanation on the back.
- × The aim is to learn the explanations on the back of each card using the front as a prompt.
- × There are many apps that have premade flashcards, and also allow you to create your own, our favorite is [TINYCARDS](#).
- × This app also uses the Leitner System, and you can set up reminders each day!
